

“A Breakfast with the Boss”

Wisconsin Committee for Employer Support of the Guard and Reserve

CORDIALLY INVITES YOU TO ATTEND

The annual Milwaukee *ESGR Breakfast with the Boss*. Please join other Wisconsin military supportive employers and their military Guard and Reserve employees at the Milwaukee County War Memorial. You will learn about the role our reserve forces play in the national defense mission from senior leadership of Wisconsin’s National Guard and Reserve.

BRIEFING

Employers will receive a briefing on the services provided by ESGR and roles performed to support members of the National Guard, Reserve and their civilian employers.

Our guest speakers will exemplify how loyal, dedicated and highly motivated members of the guard and reserve have obtained and used their mission critical leadership skills to serve in a very diverse military workplace and how these service member employees have succeeded to become proven leaders and managers within their civilian workplace.

AWARD PRESENTATIONS

ESGR will recognize some of Wisconsin’s most supportive employers, those that have been nominated for the Department of Defense 2018 Freedom Award. These employers make it their duty to support their military service member employees who also maintain a military career as resilient members of our nation’s Armed Forces.

The ESGR Breakfast will also host the awarding of the Major Richard I. Bong Award to outstanding Milwaukee area service members from each of the military branches.
